

FL4CC - Carry case for portable immersion circulator

This carry case is designed specifically to fit your Clifton portable immersion circulator. The sturdy flight case will protect your stirrer whilst in transit or stored away when not in use. Ideal for travelling chefs and demonstrators.

No need for carrier bags, ruck sacks, holdalls or crates! This new stylish flight case will give you complete confidence that your stirrer is fully protected when travelling. It will also keep your stirrer safe when stored away and not in use. Ideal for chefs on the move and those that regularly hold demonstrations at various locations.

Designed in Clifton signature orange, the case comes complete with a protective foam inside, which fits your stirrer unit, power lead and a section for your plating tweezers and accessories.

The case is easy to carry and has a sturdy, comfortable handle. There are two metal toggle catch clasps, which ensure your case is securely fastened and a hinged lid opening.
