

FL4CC - Carry Case for Portable Immersion Circulator

This Carry Case is designed specifically to fit the Clifton portable immersion circulator. The sturdy flight case will protect the stirrer whilst in transit or stored away when not in use. Ideal for travelling chefs and demonstrators.

No need for carrier bags, ruck sacks, holdalls or crates! This new stylish flight case will give you complete confidence that the stirrer is fully protected when travelling. It will also keep the stirrer safe when stored away and not in use. Ideal for chefs on the move and those that regularly hold demonstrations at various locations.

Designed in Clifton signature orange, the case comes complete with a protective foam inside, which fits the stirrer unit, power lead and a section for plating tweezers and accessories.

The case is easy to carry and has a sturdy, comfortable handle. There are two metal toggle catch clasps, which ensure the case is securely fastened and a hinged lid opening.

When not in use, the immersion circulator can be easily stored away taking up little space.
